

- Physical exams are due for all new entrants, and all students in grades K, 2, 4, & 7 (the exam must be current as of 2011).
- Dental exams are also due for the same grades listed above.
- Scoliosis exams are due on all children in grades 5, 6, 7, & 8. The forms were sent home with your child's report card in June. Please have the doctor complete it and return it to me as soon as possible.
- If your child needs to take medication at school, please bring the medication to me with the doctor's order (specific for your child) and a written permission from you, allowing me to give it to your child. This directive is true for any medication whether it is prescribed or not.
- Your child is not allowed to self-medicate, so no student should be walking around with medication in their school bag or pocket.
- If your child is absent from school, I need a phone call from the parent. Please call 634-7575, my answering machine is always on.
- If your child has a fever, he/she does not belong in school. They must be fever free for 24 hours before they can return to school.
- If the doctor does a quick strep-test on your child, they are to remain home until the results of the overnight test come back. If they come back before that we need a doctor's note.
- If your child is absent from school for more than 3 days, they need a doctor's note to return to school.
- If your child is absent with anything contagious (pink eye, strep, chicken pox, etc.), your child needs a doctor's note to return to school.
- If you have any questions, please call me at 634-7575.
